Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

Applicant's arguments, see pages 7-12, are persuasive.

Specifically, Examiner agrees that the language of claims 2-3, 5-7, 9 and 11 are not indefinite. Examiner agrees that claims 2-3, 6, 9 and 11 are not directed to non-statutory subject matter under 35 USC 101.

With regard to the art-based rejection, Examiner agrees that the startup file of the independent claims is not taught by the applied reference of Wisner or any other cited references. The instant application's startup file *specifying streaming or downloaded file as a method of content delivery* allows the system to automatically acquire, *without receiving a user input selecting streaming or downloaded file as the method of content delivery, the set of content delivered from the content delivery apparatus according to the startup file*. This is an element not found in the prior art.

All rejections are therefore withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to IMAD HUSSAIN whose telephone number is (571) 270-3628. The examiner can normally be reached on weekdays from 0800 to 1700, except Wednesdays,.
